Hi Mike:

As you may have surmised, I sent Laura our editorial comments after her email to you the other day, as we agreed it would just be simpler to make the edits to the BERA work plan, rather than have an approval letter that doesn't reference the correct version.

Attached is a revised approval letter for your use. This now has us all caught up on our end.

Subject: Submittal of Final BERA WP

Mr. Cirian,

We received CDM's additional comments on the BERA WP yesterday. CFAC/Roux agree with the comments and all the requested edits were incorporated into a final document.

This e-mail is to notify you that a link to download the Final BERA WP (dated November 15, 2018) has been sent via our secure file exchange. We have also included a redline version with just the most recent edits for your convenience.

If these edits are acceptable to you, please provide an EPA approval letter for the Final BERA WP.

Thank you, Laura
